- https://harshan119.github.io/weather-app/

EXPERIENCE

Intern level-2   2022 - Present

BSS (Bharat Supply and Support) and Garun group | Gurugram, Haryana

Primarily, I worked on front end development along with little back end part and with on-the-job training, polishing my coding skills.

Key Responsibilities:
- Build day-to-day responsive, cutting-edge UIs for the web applications from scratch
- Interact with engineering teams to leverage expertise and contribute to the team
